

FINANCIAL DOCUMENTATION REQUIREMENTS & SPONSOR STATEMENT OF SUPPORT

All new international students are required to show proof that funds are guaranteed for the first year of study. Please ensure that adequate funding will continue to be available from the same or equally dependable sources for subsequent years. You may be asked to show proof of this at your visa interview. This proof can come from several different sources (personal, family, university, business, etc.); however, you must be sure to have supporting documents for each of the sources of funding. Below are the requirements for each type of documentation. Be sure to obtain two copies of ALL documents: one for your own records, the second to bring with you when applying for your visa stamp at the U.S. Consular office and to show upon your entry to the U.S., or to USCIS if you are submitting an application for a Change of Status (COS). Keep in mind that although you are not required to submit original documents to Northwestern, you may be required to show ORIGINAL financial documents at your visa appointment, at the port of entry, or to USCIS if you are submitting a COS application.
